Haynes, a shareholder at Greenberg Traurig (the “Haynes Declaration”), which is attached hereto as **Exhibit A** and incorporated by reference. In further support of this Fee Application, Greenberg Traurig respectfully states as follows.

2. Venue is proper pursuant to PROMESA section 307(a).
3. The statutory bases for the relief requested herein are PROMESA sections 316 and 317 and Bankruptcy Code section 105(a), made applicable in this Title III Case pursuant to PROMESA section 301(a).

Preliminary Statement

16. On March 20, 2017, PREPA retained Greenberg Traurig to provide advice with respect to, *inter alia*, a potential restructuring and business and operational issues attendant thereto. On June 16, 2017, PREPA and Greenberg Traurig entered into a contract reflecting the terms of PREPA's retention of Greenberg Traurig. Greenberg Traurig and PREPA subsequently entered into a new contract on June 30, 2017, which covers services provided by Greenberg Traurig to PREPA from July 1, 2017 through the present. During the Fee Period, Greenberg Traurig represented PREPA professionally and diligently, advising it on a variety of complex matters and issues in connection with the ordinary course of PREPA's business operations.

17. Specifically, Greenberg Traurig rendered services to PREPA in connection with its day-to-day ordinary course issues and operations as requested and as necessary and

appropriate in furtherance of PREPA's restructuring efforts and operational issues attendant thereto. The variety and complexity of the issues in this Title III Case and the need to act or respond to issues affecting PREPA's business operations on an expedited basis in furtherance of PREPA's needs required the expenditure of substantial time by Greenberg Traurig personnel from multiple legal disciplines on an as-needed basis. Greenberg Traurig diligently and expeditiously represented PREPA.

Summary of Compliance with Amended Interim Compensation Order

18. This Fee Application has been prepared in accordance with the Amended Interim Compensation Order.

19. Greenberg Traurig seeks interim compensation for professional services rendered to PREPA during the Fee Period in the amount of \$1,356,635.10 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$57,025.81. During the Fee Period, Greenberg Traurig attorneys, paraprofessionals, and other professionals expended a total of 1,890.20 hours for which compensation is requested.

20. As of the date hereof, Greenberg Traurig has received payments from PREPA totaling \$1,277,997.40, representing 90% of the fees and 100% of the expenses for the Fee Period in accordance with the terms of the Amended Interim Compensation Order.

21. Accordingly, by this Fee Application, and to the extent such amounts have not been paid by the time of the hearing on this Fee Application, Greenberg Traurig seeks payment of all amounts outstanding, totaling \$135,663.51, which represents the aggregate amount of unpaid fees and expenses incurred between July 2, 2017 and September 30, 2017.

Fees and Expenses Incurred During Fee Period

A. Customary Billing Disclosures.

22. Greenberg Traurig's hourly rates are set at a level designed to compensate Greenberg Traurig fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. In accordance with its agreement with PREPA, the hourly rates and corresponding rate structure utilized by Greenberg Traurig in this Title III Case is discounted from the hourly rates and corresponding rate structure generally utilized by Greenberg Traurig for other restructuring matters, whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such restructuring matters typically are national in scope and typically involve great complexity, high stakes, and severe time pressures. For the convenience of the Court and all parties-in-interest, attached hereto as **Exhibit B** is a summary of blended hourly rates for timekeepers who billed to non-bankruptcy matters and blended hourly rates for timekeepers who billed to PREPA during the Fee Period.

B. Fees Incurred During Fee Period.

23. In the ordinary course of Greenberg Traurig's practice, Greenberg Traurig maintains computerized records of the time expended to render the professional services required by PREPA and its business operations. For the convenience of the Court and all parties-in-interest, attached hereto as **Exhibit C** is a summary of fees incurred and hours expended during the Fee Period, setting forth the following information:

- the name of each attorney and paraprofessional for whose work on this case compensation is sought;
- each attorney's year of bar admission and area of practice concentration;
- the aggregate time expended and fees billed by each attorney and each paraprofessional during the Fee Period;

- the hourly billing rate for each attorney and each paraprofessional at Greenberg Traurig's current billing rates;
- the hourly billing rate for each attorney and each paraprofessional as disclosed in the Fee Application; and
- the number of rate increases since the inception of the case.

C. Expenses Incurred During Fee Period.

24. In the ordinary course of Greenberg Traurig's practice, Greenberg Traurig maintains a record of expenses incurred in the rendition of the professional services required by PREPA and its business operations and for which reimbursement is sought. Consistent with protocol established by the Fee Examiner in this Title III Case and Greenberg Traurig's agreement with PREPA, Greenberg Traurig charged no more than \$0.10 per page for standard duplication services in this case. Greenberg Traurig does not charge its clients for incoming facsimile transmissions. Moreover, consistent with Greenberg Traurig's agreement with PREPA, Greenberg Traurig attorneys traveling on behalf of PREPA charged no more than \$57 per day for meals and \$195 per night for lodging.

25. For the convenience of the Court and all parties-in-interest, attached hereto as **Exhibit D** is a summary for the Fee Period, setting forth the total amount of reimbursement sought with respect to each category of expenses for which Greenberg Traurig is seeking reimbursement.

Summary of Legal Services Rendered During the Fee Period

26. As discussed above, during the Fee Period, Greenberg Traurig provided extensive and important professional services to PREPA in connection with its day-to-day ordinary course of business needs. These services were often performed under severe time constraints and were necessary to address a multitude of critical issues both unique to this case and typically faced by

large corporate and municipal debtors in similar cases of this magnitude and complexity.

27. To provide a meaningful summary of Greenberg Traurig's services provided on behalf of PREPA, Greenberg Traurig has established, in accordance with its internal billing procedures, certain subject task categories (each, a "Task Category") in connection with this case.

28. The following is a summary, by Task Category, of the most significant professional services provided by Greenberg Traurig during the Fee Period. This summary is organized in accordance with Greenberg Traurig's internal system of task numbers. The detailed descriptions demonstrate that Greenberg Traurig was heavily involved in performing services for PREPA on a daily basis, often including night and weekend work, to meet its needs. A schedule setting forth the number of hours expended by Greenberg Traurig shareholders, associates and paraprofessionals by category, and the aggregate fees associated with each category is attached hereto as Exhibit E.

Greenberg Traurig's attorneys have assisted PREPA in implementing successful business strategies concerning day-to-day business operations and in its negotiations with counterparties. Greenberg Traurig's services during the Fee Period have enabled PREPA to navigate the various complexities of this Title III Case.

Actual and Necessary Expenses Incurred by Greenberg

31. As set forth in detail in **Exhibit G** attached hereto, and as summarized in **Exhibit D** attached hereto, Greenberg Traurig has incurred a total of \$57,025.81 in expenses on behalf of PREPA during the Fee Period. These charges are intended to reimburse Greenberg Traurig's direct operating costs, which are not incorporated into the Greenberg Traurig hourly billing rates. Greenberg Traurig charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit G** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by Greenberg

A. Reasonable and Necessary Fees Incurred in Providing Services to PREPA.

32. The foregoing professional services provided by Greenberg Traurig on behalf of PREPA during the Fee Period were reasonable, necessary, and appropriate to the administration of this case and related matters.

33. Attorneys from Greenberg Traurig's restructuring group were primarily involved with Greenberg Traurig's representation of PREPA. Greenberg Traurig brings to this case a particularly high level of skill and knowledge, which inured to the benefit of PREPA.

B. Reasonable and Necessary Expenses Incurred in Providing Services to PREPA.

34. The demands of this engagement required numerous Greenberg Traurig professionals to be present in Puerto Rico to advise PREPA with respect to its business and operational needs. Accordingly, the majority of the expenses incurred in providing services to PREPA during the Fee Period were related to the airfare, meals, and lodging incurred by Greenberg Traurig professionals on the ground in Puerto Rico advising and assisting PREPA.

35. Moreover, the time constraints imposed by the circumstances of this case required Greenberg Traurig attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of PREPA. These services were essential to meet deadlines, respond to daily inquiries from various creditors and other parties in interest on a timely basis, and satisfy PREPA's demands and ensure the orderly administration of its business operations. Consistent with firm policy, Greenberg Traurig attorneys and other Greenberg Traurig employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. Greenberg Traurig's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

36. In addition, due to the location of PREPA's businesses, co-counsel, creditors, and other parties in interest in relation to Greenberg Traurig's offices, frequent multi-party telephone conferences involving numerous parties were required. On certain occasions, the exigencies and circumstances of this case required overnight delivery of documents and other materials. The disbursements for such services are not included in Greenberg Traurig's overhead for the purpose of setting billing rates and Greenberg Traurig has made every

effort to minimize its disbursements in this case. The actual expenses incurred in providing professional services were necessary, reasonable, and justified under the circumstances to serve the needs of PREPA in this case.

37. Among other things, Greenberg Traurig makes sure that all overtime meals, travel meals, hotel rates, and airfare are reasonable and appropriate expenses for which to seek reimbursement. Specifically, Greenberg Traurig regularly reviews its bills to ensure that PREPA is only billed for services that were actual and necessary and, where appropriate, prorates expenses.

Greenberg's Requested Compensation and Reimbursement Should be Allowed

38. Section 317 of PROMESA provides for interim compensation of professionals and incorporates the substantive standards of section 316 of PROMESA to govern the Court's award of such compensation. Section 316 of PROMESA provides that a court may award a professional employed by the debtor (in the debtor's sole discretion) "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." Section 316 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether

the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and

- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11, United States Code.

39. Greenberg Traurig respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to PREPA and its business operations and were rendered to protect and preserve PREPA's business operations. Greenberg Traurig further believes that it performed the services for PREPA economically, effectively, and efficiently, and the results obtained benefited not only PREPA, but also its business operations and its constituents. Greenberg Traurig further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to PREPA, its business operations, and all parties-in-interest.

40. During the Fee Period, 1,890.20 hours were expended by Greenberg Traurig's shareholders, associates, and other professionals in providing the requested professional services. Greenberg Traurig has made every effort to coordinate its efforts with those of other counsel in this case to avoid any duplication of efforts. The number of hours spent by Greenberg Traurig is commensurate with the defined tasks Greenberg Traurig has performed and continues to perform on the matters described herein.

41. During the Fee Period, Greenberg Traurig's hourly billing rates for attorneys ranged from \$247.00 to \$1,092.50. The hourly rates and corresponding rate structure utilized by Greenberg Traurig in this case is discounted from the hourly rates and corresponding rate structure generally used by Greenberg Traurig for restructuring, workout, bankruptcy, insolvency, and comparable matters, whether in court or otherwise, regardless of whether a fee

application is required. Greenberg Traurig strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in this case.

42. Moreover, Greenberg Traurig's hourly rates are set at a level designed to compensate Greenberg Traurig fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

43. As detailed above, the services Greenberg Traurig provided to PREPA have conferred substantial benefit on PREPA and its business operations.

44. Greenberg Traurig represents and can demonstrate to this Court that the services were performed in a reasonable amount of time, given the complexity of the issues involved and the many and varied legal issues facing PREPA. Greenberg Traurig's detailed and thorough time records can demonstrate that the time expended on various tasks was necessary and appropriate to the vigorous representation of PREPA. From the earliest stages of Greenberg Traurig's involvement, attempts were made to limit the hours worked, and to avoid duplication of services and other unnecessary costs. Greenberg Traurig professionals frequently provided services on behalf of PREPA under severe time constraints.

45. Greenberg Traurig relies on the Court's experience and knowledge with respect to compensation awards in similar cases. Given that frame of reference, Greenberg Traurig submits that, in light of the circumstances of the case and the substantial benefits derived from Greenberg

Traurig's assistance, compensation in the amount requested is fair and reasonable.

46. In sum, Greenberg Traurig respectfully submits that the professional services provided by Greenberg Traurig on behalf of PREPA and its business operations during the Fee Period and in this case to date were necessary and appropriate given the complexity of this case, the time expended by Greenberg Traurig, the nature and extent of Greenberg Traurig's services provided, the value of Greenberg Traurig's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 316 of PROMESA. Accordingly, based on the factors to be considered under sections 316 and 317 of PROMESA, the results Greenberg Traurig has achieved to date more than justify allowance in full of Greenberg Traurig's compensation and reimbursement request.

Reservation of Rights and Notice

47. It is possible that some professional time expended or expenses incurred during the Fee Period are not reflected in the Fee Application. Greenberg Traurig reserves the right to include such amounts in future fee applications. In addition, Greenberg Traurig has provided notice of this Fee Application in accordance with the Amended Interim Compensation Order.

No Prior Request

48. No prior application for the relief requested herein has been made to this or any other Court.

WHEREFORE, Greenberg Traurig respectfully requests that the Court enter an order (a) awarding Greenberg Traurig interim compensation for professional and paraprofessional services provided during the Fee Period in the amount of \$1,356,635.10, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$57,025.81; (b) authorizing and directing PREPA to remit payment to Greenberg Traurig for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

1. I am a shareholder in the law firm of Greenberg Traurig, LLP (“Greenberg Traurig”), located at 200 Park Avenue, New York, New York 10166. I am a member in good standing of the Bars of the States of Massachusetts and New York, and I have been admitted to practice, *pro hac vice*, in the United States District Court for the District of Puerto Rico in connection with this case. There are no disciplinary proceedings pending against me.

2. I have read the foregoing first interim fee application of Greenberg Traurig, counsel for Puerto Rico Electric Power Authority (“PREPA”), for the Fee Period (the “Fee Application”).² To the best of my knowledge, information and belief, the statements contained in the Fee Application are true and correct. In addition, I believe that the Fee Application complies with P.R. LBR 2016-1.

3. In connection therewith, I hereby certify that:

- a) to the best of my knowledge, information, and belief, formed after reasonable inquiry, the fees and disbursements sought in the Fee Application are permissible under the relevant rules, court orders, and PROMESA provisions, except as specifically set forth herein;
- b) except to the extent disclosed in the Fee Application, the fees and disbursements sought in the Fee Application are billed at rates customarily employed by Greenberg Traurig and generally accepted by Greenberg Traurig’s clients. In addition, none of the professionals seeking compensation varied their hourly rate based on the geographic location of PREPA’s Title III Case;
- c) in providing a reimbursable expense, Greenberg Traurig does not make a profit on that expense, whether the service is performed by Greenberg Traurig in-house or through a third party;
- d) in accordance with Rule 2016(a) of the Federal Rules of Bankruptcy Procedure and 11 U.S.C. § 504, no agreement or understanding exists between Greenberg Traurig and any other person for the sharing of compensation to be received in connection with the above cases except as authorized pursuant to PROMESA, the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules; and

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Fee Application.

- e) all services for which compensation is sought were professional services on behalf of PREPA and not on behalf of any other person.

Exhibit B

Voluntary Rate Disclosures

The blended hourly rate for timekeepers in Greenberg Traurig’s New York, Boston, Miami and Chicago offices (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the 12-month period beginning on October 1, 2016 and ending on September 30, 2017 (the “Comparable Period”) was, in the aggregate, approximately \$534.00 per hour (the “Non-Bankruptcy Blended Hourly Rate”).²

- The blended hourly rate for all Greenberg Traurig timekeepers who billed to PREPA during the Fee Period was approximately \$717.72 per hour (the “Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at Greenberg	Debtor Blended Hourly Rate for This Fee Application	Non-Bankruptcy Blended Hourly Rate
Shareholders	\$810.37	\$630.00
Of Counsel	\$509.36	\$483.00
Associates	\$463.49	\$360.00
Law Clerk/JD	\$418.00	\$350.00
Paralegals	\$308.21	\$207.00
Asst. Paralegal	\$0.00	\$124.00
Misc. Timekeeper	\$522.50	\$125.00
Attorneys & Paraprofessionals	\$717.72	\$534.00

¹ It is the nature of Greenberg Traurig’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily with Greenberg Traurig’s Restructuring & Bankruptcy Group. Accordingly, “Non-Bankruptcy Matters” consist of matters for which Greenberg Traurig’s New York, Boston, Miami and Chicago office timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. The Non-Bankruptcy Matters may include certain time billed by Greenberg Traurig domestic timekeepers who work primarily within Greenberg Traurig’s Restructuring & Bankruptcy Group.

² Greenberg Traurig calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount* billed by Greenberg Traurig’s New York, Boston, Miami, and Chicago office timekeepers to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by Greenberg Traurig New York, Boston, Miami and Chicago office timekeepers to the Non-Bankruptcy Matters during the Comparable Period. Greenberg Traurig believes that the \$183.72 difference between the Blended Hourly Rate and the Non-Bankruptcy Blended Hourly Rate reflects the highly specialized nature of Greenberg Traurig’s restructuring practice. The services performed by Greenberg Traurig professionals during the Fee Period frequently involved complex energy, regulatory, litigation and restructuring issues that required the knowledge and expertise of more senior attorneys.

³ Greenberg Traurig calculated the blended hourly rate for timekeepers who billed to PREPA by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.
